Subject: FCC harassment of micropower radio stations

Chairman Kennard,

I am writing to express my disapproval of recent FCC harassment of Black Liberation Radio and Free Radio Memphis. The FCC's actions against micropower radio stations shows outright disregard for the first amendment rights of U.S. citizens and the current regulations for obtaining broadcasting licenses shows complete disregard for the free speech rights of the poor. I would like to see an end to such harassment.

Yours truly,

Another concerned citizen.

p.s. Did I mention that my tax dollars pay your salary? I guess that means you work for me. So while you're at it, why don't you start acting in the interests of the people.
